

Senior Accountant

PPT is one of the most experienced and highly regarded Accounting and Financial firms in the Ballarat region, providing optimal financial service, guidance and support to a wide range of clients. As a valued member of the firm, you can expect a positive and nurturing work culture that promotes professional growth with on-going opportunities for training and development. We are seeking a vibrant and enthusiastic Senior Accountant to join our highly motivated and talented team in Ballarat, in a permanent full-time capacity. The position may also result in the potential to become a Partner of the firm.

The Role:

- leading a small team to achieve company driven goals and directives
- exposure to a variety of industries, including medical, professional services, trade, agriculture, manufacturing, hospitality, retail and property
- assistance with and responsibility for the preparation of financial statements and income tax returns for clients including companies, trusts, partnerships and individuals
- assistance with the preparation of business activity statements and instalment activity statements
- preparation of fringe benefits tax returns and payroll tax returns

The Offer:

- attractive working conditions in central Ballarat
- working closely with the Business Partners
- career aspirations encouraged with full support for further training
- 6 monthly conferences in Melbourne
- regular in-house training sessions
- employee assistance program
- quarterly staff functions
- weekly team meeting and monthly team lunches
- wellness programs

The ideal candidate will have:

- at least 5 years prior experience in accounting with a strong academic track record
- exceptional communication skills and leadership qualities to motivate and engage a small team
- strong understanding of Australian Tax Law and accounting concepts
- strong understanding of fundamental business concepts
- strong ability to analyze and interpret financial information
- a high focus on providing excellent client service
- excellent time management and attention to detail
- a positive attitude and the ability to work well with others

- a strong work ethic and initiative
- commitment to further training and professional development

What we'd love from you:

- a least 5+ years' experience in an accounting practice
- degree qualified and working toward, or preparing to work toward, obtaining CPA status
- previous exposure to accounting and tax software
- strong skills in using MYOB, Xero, FYI Docs and Intuit Quickbooks will be highly regarded
- ability to identify how to maximize returns for clients and be able to understand deductibility of certain items
